

RESEARCH & DESIGN FEES

Our core mission is to provide exceptional, high-value vacation experiences for every traveler we serve. When you enlist our services, you're enlisting the expertise of a consultant who takes the time to understand your preferences and needs for each journey. Drawing on the the extensive network and relationships we've built in the industry, we meticulously tailor personalized, comprehensive itineraries to suit your individual requirements.

The Research & Design Fee covers our initial consultation, the time invested in researching and developing the itinerary, and ongoing collaboration with you to ensure all details align perfectly with your expectations. By charging this fee, we allocate the necessary time and resources during this crucial phase of itinerary creation.
